

About AUS:

Discover a new kind of university in the farthest corner of the country, where a scholar can themselves become a leader for creating positive change. Located in the serene picturesque landscape of Namsai in Arunachal Pradesh, Arunachal University of studies is one of the most vibrant and diversified campuses in the whole of the nation.

The Govt. of Arunachal Pradesh through an Act of State Legislator has established the Arunachal University of Studies as State Skill University under Self-Sponsored category. The University is duly recognized by UGC u/s 2(f) and is empowered to award degrees specified u/s 22 of UGC Act 1956. The University is a member of the Association of Indian Universities (AIU), New Delhi. AUS is duly approved by National Assessment Accreditation Council (NAAC). The certifications issued by the University are globally accepted.

Since its founding in 2012, AUS has redrawn and redefined the actual definition of holistic education through the state-of-art intellectual and creative pedagogy. AUS is truly a place empowering students of NER through multiple academic streams by helping them build their dreams in transforming the country. AUS offers over 120+ professional programmes to push students to realize their true potential for advancing their career growth. Therefore making it a truly state skill studies university.

Our skill-based education lets students face new research and technology for innovating creative and thoughtful outcomes for the problems existing in the society. Here, at AUS students are given the excellent opportunity to learn and experience the independence of education by truly letting them who they want to be. Exposing students to multitudinous skillsets from day one, AUS guarantees students a brilliant future in making India a place that is economically, personally, and socially empowered.

National Conference on Sustainable Development of India would become the premier gathering place where ground breaking research in the field of Sustainable development would be showcase by the researchers and the leading industry experts.
